167 EAST EIGHTY-SECOND STREET

My dear Mr. Wood;

I send with this a box containing the few medals and flies you about which I spoke to you the other day and which you said the Society might accept, either to keep in its function or to use for purposes of exchange. I am very glad to let you have them.

You will find also, in two pasteboard boxes, some coins about which I am curious. Have they any commercial value? I wonder, and I would be glad to have some light on the subject.

Sincerely yours,

Nyal Cortissoz
